

A decorative graphic at the top of the slide consists of numerous semi-transparent squares in various colors including blue, purple, red, orange, and yellow, arranged in a scattered, overlapping pattern that tapers off towards the right.

K-9 CURRICULUM RE-DESIGN

School District #35 (Langley)
Board of Education Meeting
December 8, 2015

Curriculum Implementation Day

January 15, 2016

- All teachers and SEAs took part
- Sessions held at Walnut Grove and Langley Secondary for secondary teacher grades 9 to 12
- Yorkson Creek Middle for grades 6 to 8
- Fundamental Middle/Secondary School, James Kennedy Elementary and R.C. Garnett Elementary Schools for grades K to 5
- Each location started with a Plenary Session for all to attend followed by two sets of break-out sessions on the core competencies, KDU model, assessment, and grade/content area conversations
- Feedback was collected from each site which will be used to inform the framework for the April 18th non-instructional day

Strategies/Workshops Offered

- January 25th
 - Understanding Core Competencies: Anita Chapman
- February 9th
 - Curriculum Implementation Series Part 2
- May 3rd
 - Weaving Aboriginal content into the New Curriculum: Jo Chrona
- May 6th
 - District Professional Development Day
- TBA
 - Curriculum Implementation Series Part 3
- Ongoing staff meetings, workshops, and collaboration times

Issues Related to Implementation

- Resources?
- How to weave in Aboriginal Content?
- Reporting
 - What will this ultimately look like?
- Assessment of Core Competencies?
- Physical and Health material and Careers material?
 - Confidence to deliver this information
