PROCESS

To DATE

- Middle school implementation in Langley Secondary, Aldergrove Secondary and Willoughby Slope communities

- Board of Education Motions

“That the Board of Education supports the establishment of a District-wide middle school model as part of the Long Term Facilities Plan.”

“That the Board of Education approves that staff undertakes a consultation with the Brookwood, DW Poppy and Walnut Grove communities regarding the transition to a middle school model upon completion of the informational community meetings.”

- Long Term Facilities Plan Recommendation

It is recommended that School District No. 35 (Langley):

“Commences a stakeholder consultation process to discuss middle grades education with a potential follow-up process on middle grades configuration for the Brookwood, D.W. Poppy, and Walnut Grove areas.”

A FOCUS ON STUDENTS

- Caring for the social – emotional well-being of children
- Being mindful of the physical well-being of children
- Providing vibrant and sustainable learning opportunities for all children

GUIDING PRINCIPLES

OUR CORE VALUES

Integrity

Excellence

Courage

Community

GUIDING PRINCIPLES FOR AN EFFECTIVE COMMUNITY CONSULTATION

1. That the consultation process be one of integrity where honesty and transparency are of utmost importance.
2. That trust between communities and the District be developed and maintained throughout the process.
3. That the District listen to communities and sincerely reflect on feedback and ideas.
4. That the District value and honour community members and treat them with respect.

LONG TERM FACILITIES PLAN

LONG TERM FACILITIES PLAN (LTFP)

- Required by the Ministry to demonstrate proper facility planning
- Supports the District's educational plans over a 10 year window
- Becomes the basis for submission of capital project requests by the district and investment decision by the Ministry
- Current plan was adopted in 2012
- Formal revision of a LTFP required by the Ministry of Education when a significant change has taken place

Examples of a Significant Change

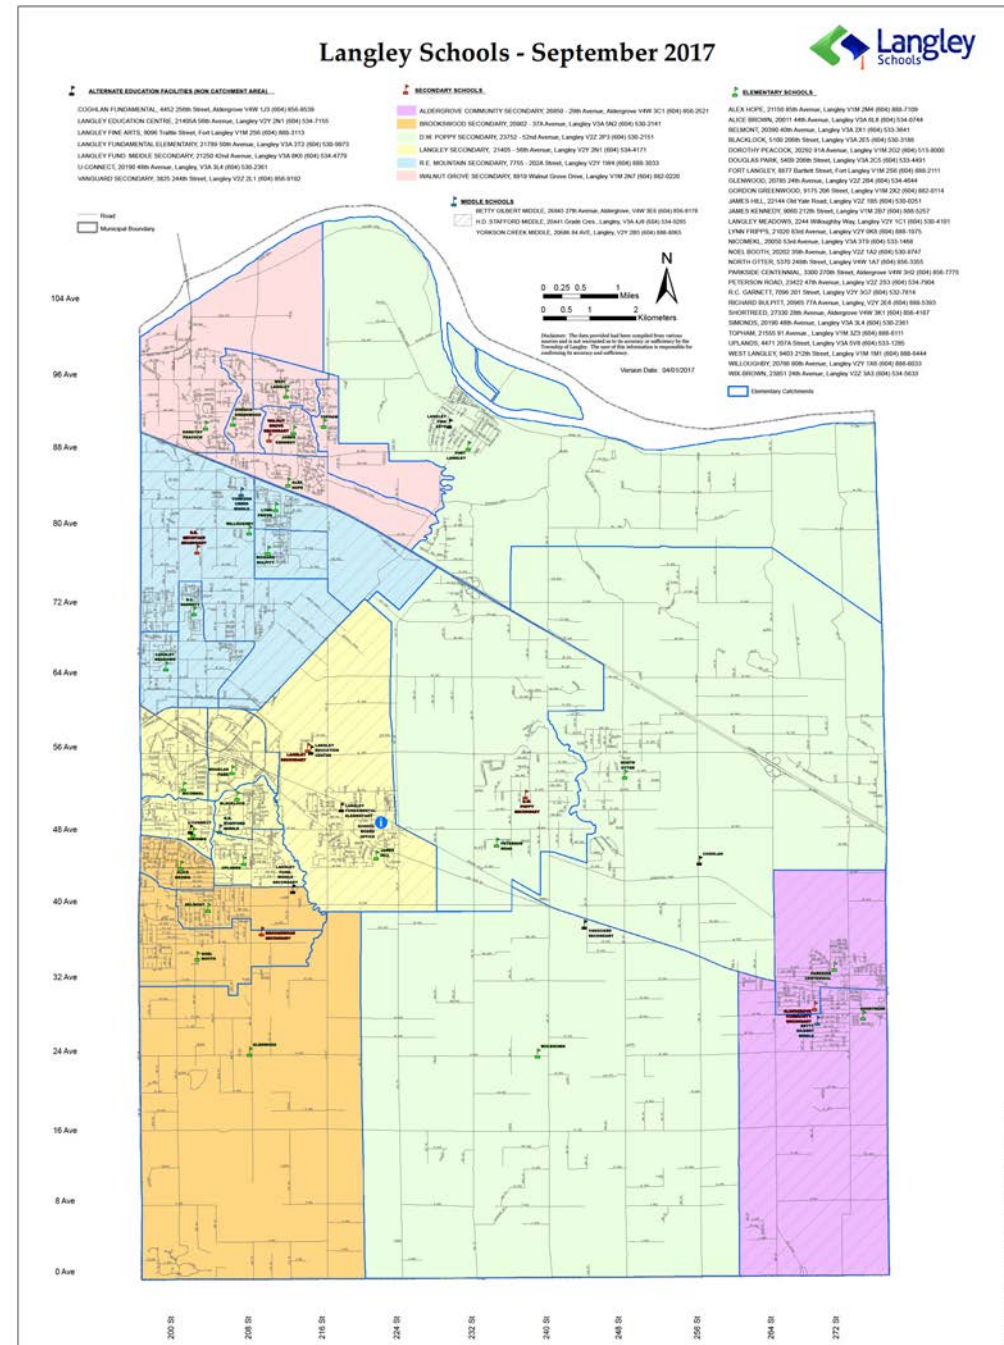

- Any significant changes in the educational programs, either initiated by the district or the government
- Proposed reconfiguration of schools
- A change in the availability status of any facility used for K-12 education
- Enrollment projections that exceed 10% (increase or decrease) over the 10 year window
- Other events that potentially affect investment decisions in the district's facilities

OTHER DISTRICT CONSIDERATIONS

1. Enrolment projections
2. Capacity issues at some schools
3. Seismic conditions of schools
4. Transportation
